

FLY ABOVE

PRIVATE AIR CHARTERS

At ABOVE VACATION RESIDENCES, we want our exceptional service to begin as soon as possible. Why not let our staff, and our trusted team of aviation partners arrange your transportation from your home, to ours.

As all 50 states move in separate directions with lockdowns and mandatory quarantines due to COVID, traveling commercially across the U.S. runs the risk for exposure, flight cancellations, long layovers, and potential 14-day quarantines issued by the state upon arrival before departing again.

At **FLYABOVE**, our mission is to eliminate the worries and unpredictability of travel you may have during this time. Air chartering services will take you from point A to point B. **FLYABOVE** is positioned to go the extra mile. Additional services we offer include:

- Deluxe transportation from your location to private airport
- Round Trip chartered planes to/from destination
- Professional staff at all times with specific **FLYABOVE** uniform, masked and gloved, and with assurance of clean transportation
- Full-trip planning including: private estate arrangements, chef meals, safe excursions, and personal concierge services at your destination
- A designated ABOVE staff member available 24/7 to assist with any request

We will gladly meet you at your plane prior to take-off, upon arrival, and after your trip home. Allow us the privilege of planning your trip/vacation and taking it off your shoulders! Feel free to contact me at (512) 914-4934, or send me an email at: blake@bookabove.com

FLYABOVE aims to bring the ease and fun back to travel while keeping your safety and comfort our top priority.
